My writing check

QUICK REFERENCE | Suggested grades 2-6 | English

Read your writing one small part at a time.

1. Meaning

What is my main idea? Did I answer the question?

Add a detail or example to help the reader understand.

2. Order

Does my beginning introduce the idea?

Do my details follow an order? Does my ending finish the thought?

3. Sentences

Read each sentence aloud or ask someone to read it to you.

Does each sentence make sense? Join or separate thoughts where needed.

4. Capitals and punctuation

Check the first letter, names, and the word I.

Check sentence endings, commas, and apostrophes.

5. Spelling and word choice

Mark words you are unsure about. Use a word bank or dictionary.

Check words that sound alike: their/there/they're and to/too/two.

6. One final look

Check spaces, readable handwriting or text, and your name if needed.

Choose one improvement. A small change can make your message clearer.
